

Create Product

As a Product Owner, you can quickly create a product on the SAMi portal by going to the Manage Assets menu. When you successfully create a product, the portal will provide you the Consumer Key and Consumer Secret for accessing the product for the first time.

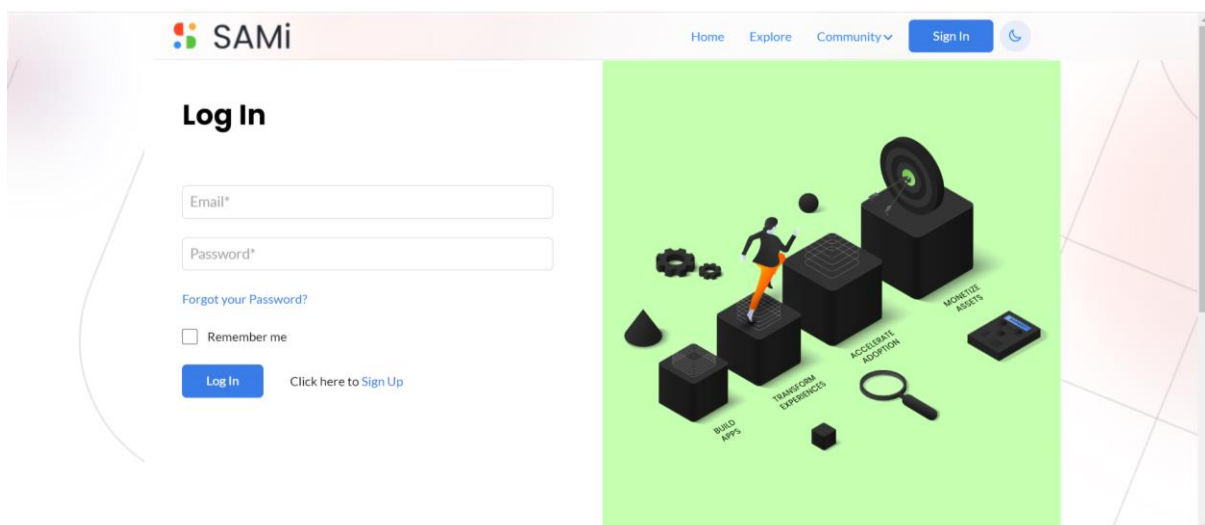

To Create a Product, follow the procedure:

Step 1: Login as a Product Owner.

Step 2: Enter the URL: <http://sam-portal-dev.demo.sidglobal.cloud/home> in the browser and then press **Enter**.

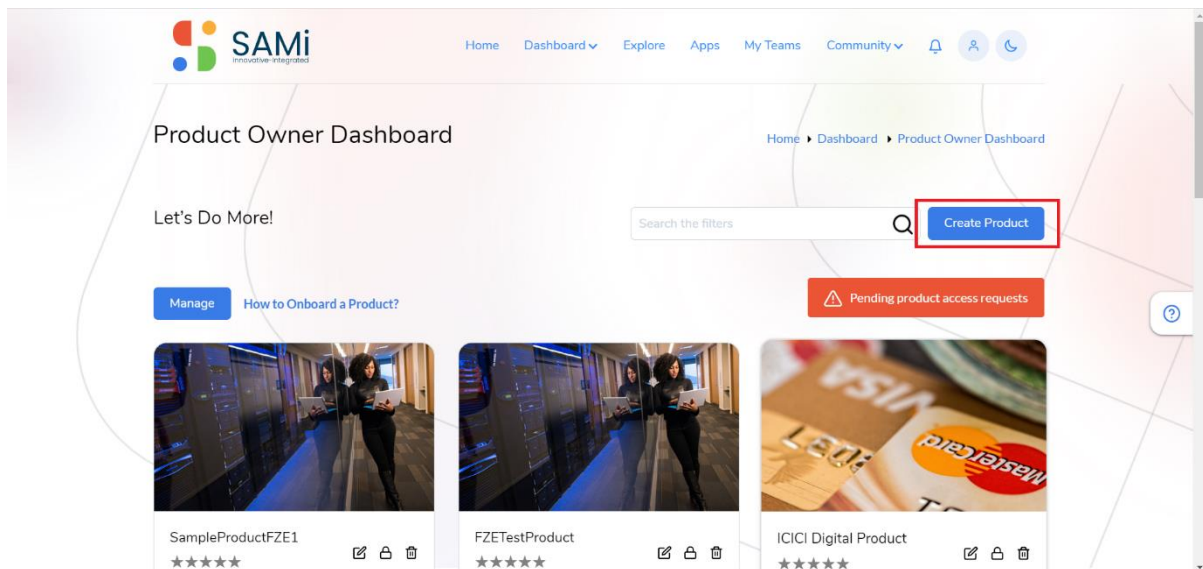

Once Your account is created, login with the valid credentials.

Step 2: In the **Log In Page**, provide your **Email address** and **Password** in the respective text boxes.

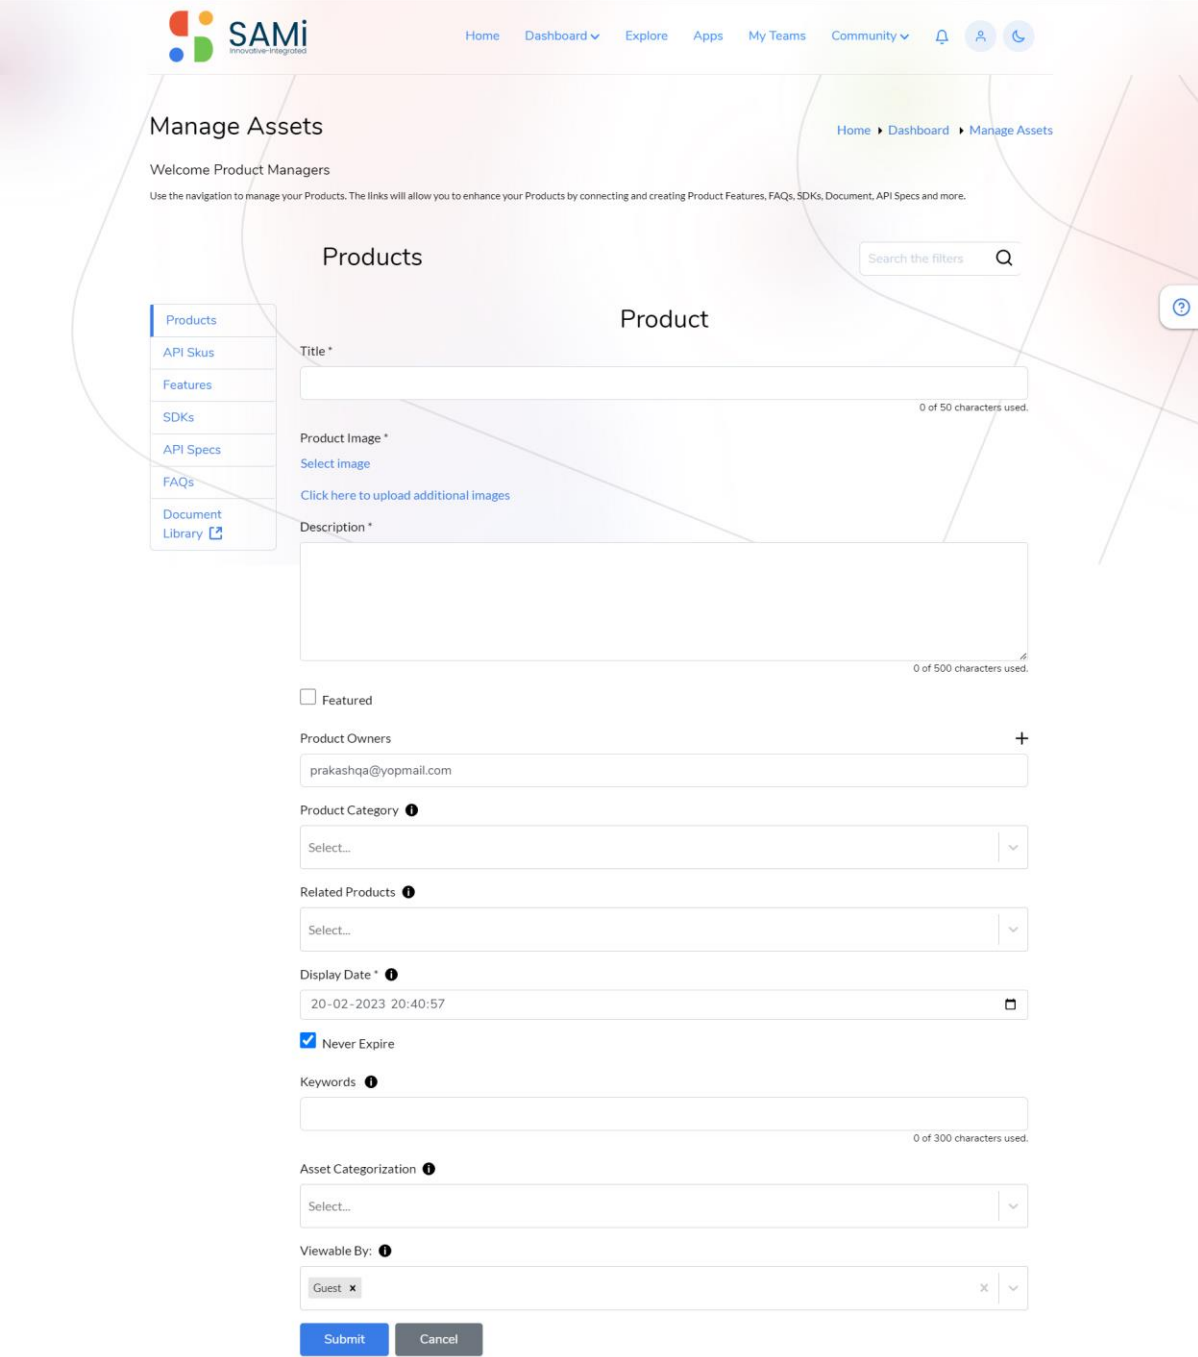

Step 3: Click **Login**.

Once you will log in successfully, you will land on to the **Product Owner Dashboard**.

Step 4: Click on **Create Product** button.

The Manage Assets – Products page is displayed.

The screenshot shows the SAMi 'Manage Assets' interface. The 'Products' tab is selected in the left sidebar. The main form area is titled 'Product' and contains the following fields and options:

- Title ***: A text input field with a character count of '0 of 50 characters used'.
- Product Image ***: A section with a 'Select image' link and a link to 'Click here to upload additional images'.
- Description ***: A large text area with a character count of '0 of 500 characters used'.
- Featured**
- Product Owners**: A text input field containing 'prakashqa@yopmail.com' with a '+' icon on the right.
- Product Category**: A dropdown menu with 'Select...' as the current selection.
- Related Products**: A dropdown menu with 'Select...' as the current selection.
- Display Date ***: A date and time input field showing '20-02-2023 20:40:57' with a calendar icon on the right.
- Never Expire**
- Keywords**: A text input field with a character count of '0 of 300 characters used'.
- Asset Categorization**: A dropdown menu with 'Select...' as the current selection.
- Viewable By**: A dropdown menu with 'Guest' selected and a close icon on the right.

At the bottom of the form are two buttons: 'Submit' (in blue) and 'Cancel' (in grey).

Step 5: In Manage Assets page, the **Products** tab is selected by default.

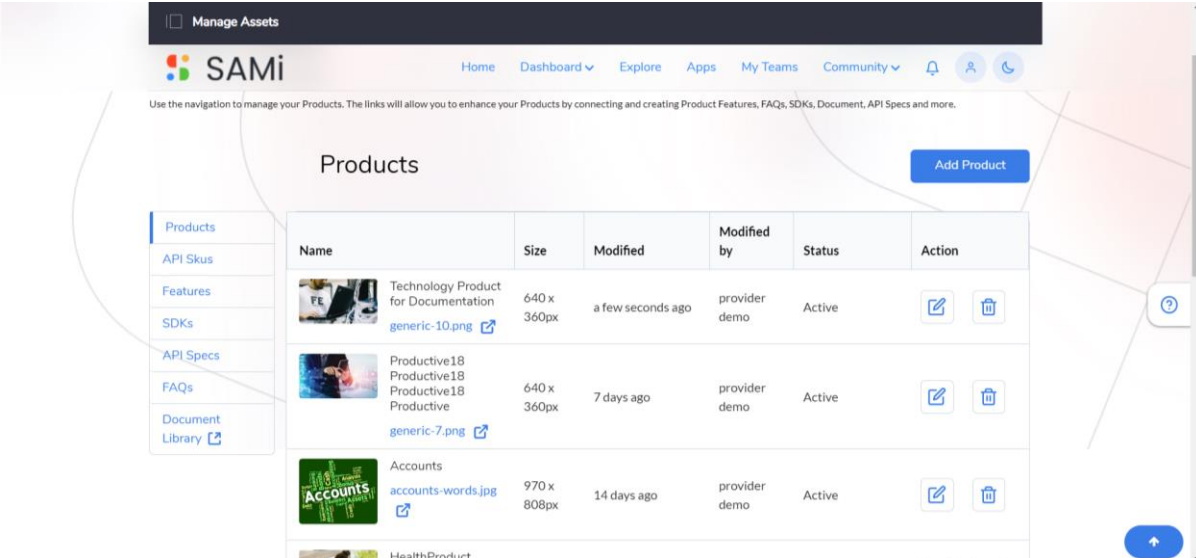

Step 6: In the Manage Assets page, enter the following:

- Enter the **Title** of the product.
- Select the **Product Image** ([Select image](#) or [Click here to upload additional images](#)),
- Enter the **Description** in the text area.

- Check on **Featured** checkbox, if you would like to create a featured product, otherwise uncheck it.
- Select the **Product Category** Example: SamOne/Network/MCI-APIs/SMI_APis
- Select **Related Products**, if the product is related to other products in the portal.
- Select the **Display Date**, if you wish to display the product from specific date, otherwise leave it blank as it automatically captures the current date to display.
- When you check **Never Expire**, the product will not expire anytime in future. **Note:** when you uncheck it, if you need to provide Display date and Expiry date as well.
- Enter **keywords**, as many as possible, this will be helpful to search the product later.
- Select **Asset Categorization**, to list the product in the available list of categories.
- Choose the role permissions **Viewable By** (External Developer/Internal Developer/Product Manager/SAMi Admin/User)

Step 7: Click **Submit**.

When the Submit button is clicked, a Success message appears. And the product is created and is listed in the **Manage Assets** products list.

The screenshot shows the 'Manage Assets' page in the SAMi portal. The page title is 'Manage Assets' and the SAMi logo is visible. The main content area is titled 'Products' and contains a table with the following data:

Name	Size	Modified	Modified by	Status	Action
Technology Product for Documentation generic-10.png	640 x 360px	a few seconds ago	provider demo	Active	[Edit] [Delete]
Productive18 Productive18 Productive generic-7.png	640 x 360px	7 days ago	provider demo	Active	[Edit] [Delete]
Accounts accounts-words.jpg	970 x 808px	14 days ago	provider demo	Active	[Edit] [Delete]
HealthProduct					

The interface also includes a navigation menu on the left with options like 'Products', 'API Skus', 'Features', 'SDKs', 'API Specs', 'FAQs', and 'Document Library'. A top navigation bar contains 'Home', 'Dashboard', 'Explore', 'Apps', 'My Teams', and 'Community'. A blue 'Add Product' button is located in the top right corner of the products list area.
